For Immediate Release

Ohio EPA and Canton City Public Health's Air Pollution Control Division to Host Community Meeting

(Canton, OH) - Ohio Environmental Protection Agency (EPA) and Canton City Public Health's Air Pollution Control Division (APC) will host a public community meeting on July 20, 2021, at 6:00 PM Garaux Hall of Canton Parks and Rec, 3801 13th St. SW, Canton.

The purpose of the meeting is to provide the community nearby Republic Steel with an update on Republic Steel's lead emissions and other air pollution, and provide an opportunity to ask questions. More information about the meeting is included in the July 9, 2021 Ohio EPA Citizen Advisory available on our website at: <http://www.cantonhealth.org/apc/pdf/RepublicCAJuly2021-FINAL.pdf>

Questions concerning this community meeting should be directed to Ohio EPA Public Interest Center at (614) 644-2160.
