Mosquito Spraying to Take Place

(Canton, OH) – Canton City Public Health (CCPH) announced today that mosquito spraying will take place beginning Tuesday, June 20 through Thursday, June 29, 2023.

CCPH vector control staff conduct various practices to reduce mosquitoes in our neighborhoods. In addition to spraying, vector control staff identify and remove areas of stagnant water, and larvicide, which is the primary method of mosquito abatement. Larviciding kills mosquitoes at the larval stage while spraying targets adult mosquitoes.

To reduce mosquitoes and mosquito bites, city residents should remove items from yards that can collect and hold water such as old tires, cans, buckets and bottles, and protect themselves by limiting time outdoors during peak mosquito activity (dusk to dawn) and using an approved insect repellent when outdoors.

Mosquito spraying will take place as follows:

NW AREA OF CANTON CITY

TUESDAY - THURSDAY, JUNE 20 - 22

East Boundary	Market Avenue
North Boundary	North City Limits
West Boundary	West City Limits
South Boundary	Tuscarawas Street

SE AREA OF CANTON CITY

FRIDAY, JUNE 23

East Boundary	East City Limits
North Boundary	Tuscarawas Street
West Boundary	Market Avenue
South Boundary	South City Limits

NE AREA OF CANTON CITY

MONDAY - TUESDAY, JUNE 26 & 27

East Boundary	East City Limits
North Boundary	North City Limits
West Boundary	Market Avenue
South Boundary	Tuscarawas Street

SW AREA OF CANTON CITY

WEDNESDAY - THURSDAY, JUNE 28 & 29

East Boundary	Market Avenue
North Boundary	Tuscarawas Street
West Boundary	West City Limits
South Boundary	South City Limits

Spraying hours will be from 9:00 p.m. until 12:00 a.m. In the event of rain, windy conditions or low temperatures during any of the above scheduled dates, spraying will be rescheduled for June 29 and 30.

Residents with respiratory ailments should take necessary precautions to protect themselves and beekeepers should protect their hives.

Questions should be directed to Gus Dria, Environmental Health Supervisor, at gdria@cantonhealth.org or 330.438.4647.
