The Northeast Ohio Personal Responsibility Education Program (Ohio PREP-Region 6) is holding a coalition conference call on Tuesday December 13, 2016 at 10 A.M. to discuss the PREP program updates and project efforts. The coalition conference call is appropriate for individuals that work with foster and adjudicated youth between the ages of 14-19 years of age. It is our hope to engage in a discussion with foster care and juvenile justice community partners and those already trained in the PREP curriculum so that we can continue to successfully implement the PREP program with the youth.

See attached conference call participant instructions and agenda. No RSVP required.

Please contact Molly Malloy, RN at mmalloy@cantonhealth.org or call (330) 489-3322 with any questions.
