

Beginning August 3, 2020, Canton City Public Health will be offering Immunization Clinics **on-site** at 420 Market Avenue, North, **by appointment ONLY** on Mondays from 8:20am to 3:00pm. **To make an appointment please call (330) 438-4662.**

In order to protect the health of our clients and staff we will be enforcing the following:

- All immunization clinic visitors are required to wear a face-covering (if able) if over 2 years of age when entering the building, during the appointment and until they exit the building after the appointment.
- Before coming to your appointment, we ask all clinic visitors to check their temperature at home and if there is a fever (100°F or higher) or if they have symptoms of an upper respiratory infection (cough, shortness of breath, sore throat or congestion) they must reschedule the appointment.
- Only 1 appointment will be permitted in the clinic lobby at a time.
- Only 1 parent/guardian should accompany any minor client. All other must remain outside of the building.
- Limit personal belongings.
- No food or beverages.

As a reminder please remain home and reschedule your appointment if:

- You or a family member have had a fever of 100°F or higher and have had to take any fever reducing medication such as Tylenol or ibuprofen within the last 72 hours.
- You or a family member are currently ill or have had the following symptoms within the last 2 weeks: fever (100 F or higher), cough, shortness of breath or difficulty breathing, chills, muscle pain, sore throat and new loss of taste or smell.
- You have tested positive for COVID-19 (or have been in contact with an individual that has tested positive) in the last 14 days.

Here is what to expect on the day of your appointment:

- Please remain in your vehicle when you arrive at 420 Market Avenue, North.
- Call in to 330-438-4662 to check in and receive further instructions.
