Additional Mosquito Spraying to Take Place

Canton City Public Health announced today that due to increased numbers of mosquitoes, specifically in the northwest quadrant of the City, additional mosquito spraying will take place Monday, August 3 through Thursday, August 6, 2020 within the following boundaries:

East Boundary	Market Ave. N
North Boundary	North City Limits
West Boundary	West City Limits
South Boundary	Tuscarawas Street W

Spraying hours will be from 9:00 p.m. until 12:00 a.m. In the event of rain, windy conditions or low temperatures, spraying will be rescheduled at a future date.

Residents with respiratory ailments should take necessary precautions to protect themselves and beekeepers should protect their hives.

Questions should be directed to Environmental Health Supervisor, Gus Dria at gdria@cantonhealth.org or 330.438.4647.
